

# Intelligent User Interface for Metaverse

ACM International Conference on Intelligent User Interfaces 2024

## Call for Papers

March 18-21, 2024 | Greenville, South Carolina, USA

### Shaping Virtual Frontiers!

Join the forefront of innovation and design at the Workshop on Intelligent User Interfaces for Metaverse (IUI-Metaverse) – your gateway to tomorrow's digital landscapes.

### Workshop Highlights:

Explore the intricacies of user navigation in virtual spaces and the integration of AI, machine learning, and data analytics, shaping interfaces that learn and adapt in real-time. Witness the next phase of Human-AI collaboration within virtual environments and understand the imperative of inclusivity in the design of Metaverse interfaces.
